# RONIT HIMANGSHU DAS

Business Analyst | Data Analyst | BSc IT Final Year — Mumbai
+91 7304731365 • ronitd27125@gmail.com • LinkedIn • GitHub • Portfolio

## PROFESSIONAL SUMMARY

Final-year BSc IT student (CGPA 8.40) with a genuine interest in turning raw data into decisions that actually matter. Over the past year at Advait Science Academy, I built Excel dashboards from scratch, tracked KPIs weekly, and cut manual reporting time by 30% through automation. My work on admission pipeline tracking directly contributed to a 40% improvement in conversion rates. Skilled in Power BI, SQL, MS Excel (PivotTables, VLOOKUP, Macros), and Python (Pandas, NumPy). Outside of coursework, I built Budget Pro's — a full-stack expense management system — and explored data forensics through Deloitte's Analytics Job Simulation on Forage. Looking for an entry-level BA or DA role in Mumbai where I can contribute from day one.

## WORK EXPERIENCE

**Business & Data Operations Analyst** *May 2024 – Aug 2025*

*Advait Science Academy, Mumbai, Maharashtra*

- Led end-to-end academic operations — managed admissions pipeline, faculty communication, and daily workflows for 100+ students, improving operational efficiency by 35%.
- Designed and maintained MS Excel dashboards tracking attendance, performance trends, and academic KPIs — reduced manual reporting time by 30% through automation (VLOOKUP, PivotTables, Macros).
- Performed data analysis on 100+ student records to identify performance patterns — improved academic intervention response time by 25%.
- Improved admission conversion rate by 40% by tracking inquiry pipeline, monitoring walk-in leads, and creating weekly KPI reports for management.
- Served as primary liaison for 50+ parents — resolved queries with 95% satisfaction rate through structured communication.

## PROJECTS

**Budget Pro's — Financial Management System** | *HTML, CSS, JavaScript, MySQL, XAMPP | Waterfall SDLC*

- Developed a web-based financial management system for budget tracking and real-time expense monitoring as a final-year capstone project.
- Built interactive dashboards with charts, automated alerts for budget vs. actual comparison, and department-wise analysis.
- Enabled data export in CSV/PDF format with expense categorization for streamlined financial reporting.

**Deloitte Australia — Data Analytics Job Simulation** | *Excel, Tableau, Data Forensics | Forage, Mar 2026*

- Performed forensic data analysis on a simulated business dataset to identify operational anomalies and inefficiencies.
- Built data dashboards in Tableau and delivered a client-ready report summarizing findings and actionable business recommendations.
- Applied data cleaning, classification, and visualization techniques to generate insights from raw data.

**Language Translation Tool** | *JavaScript, REST APIs* GitHub

- Built a real-time multi-language translation tool using translation APIs with auto-detection and error handling.

## TECHNICAL SKILLS

**Analytics & BI:** Power BI, MS Excel (PivotTables, VLOOKUP, Macros), SQL, Tableau, Google Sheets

**Business Analysis:** Requirement gathering, KPI tracking, process improvement, stakeholder management

**AI & Emerging Tech:** IBM AI Tools, Prompt Engineering, Machine Learning (foundational)

**Programming:** Python (Pandas, NumPy — foundational), JavaScript, HTML, CSS

**Databases & Tools:** MySQL, XAMPP, draw.io, MS PowerPoint, Canva, Google Workspace

**Languages:** English, Hindi, Marathi

## EDUCATION

**Bachelor of Science — Information Technology (BSc IT)** *2023 – 2026*

*Laxmichand Golwala College of Commerce & Economics, Mumbai University | CGPA: 8.40 | Focus: Data Analytics, Business Intelligence, Information Systems*

HSC — Science (PCMB) | S.M. Shetty College, Powai | 2021–2023

SSC | N.E.S. High School, Bhandup West | 2021

## CERTIFICATIONS & TRAINING

**Introduction to Responsible AI** — Google Cloud Skills Boost *Apr 2026*

**Data Analytics Job Simulation** — Deloitte Australia (Forage) *Mar 2026*

**AI Fluency: Framework & Foundations** — Anthropic *Mar 2026*

**Power BI Workshop** — OfficeMaster *Mar 2026*

**SQL Bootcamp** — LetsUpgrade *Mar 2026*

**Introduction to Artificial Intelligence** — IBM *Feb 2026*

## AWARDS & ACHIEVEMENTS

**1st Place — AI Tools Presentation, TECHZEST 1.0** | IT Dept., Laxmichand Golwala College

Presented real-world applications of AI tools in productivity, task automation, and decision-making.
